

USING THE LOADING ASSIST TOOL FOR THE PPS 50 DRUM MAGAZINE

1

Identify the magazine and the Loading Assist Tool.

2

Note that there is a small hole in the side of the magazine throat. Note also that the Loading Assist Tool is shaped in a way that ONLY one end can be inserted into the hole in the magazine.

3

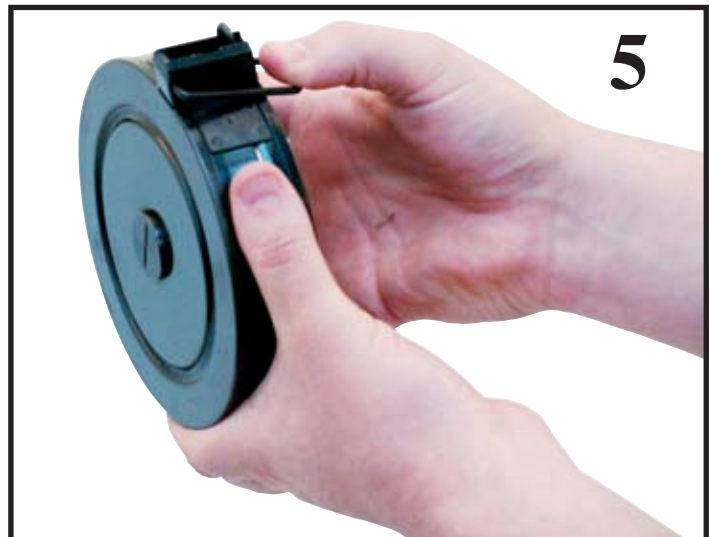

Insert the Loading Assist Tool into the hole in the magazine.

4

Place ammo round in top of magazine and lower Loading Assist Tool over round.

5

Push round into magazine by pushing down on Loading Assist Tool.
